Maine-Sweet Pepper Roasted Baby Beets

Ingredients:

- 2 - 2 ½ lb Small Fresh Beets
- 2 TBL Extra Virgin Olive Oil
- 1 - 2 tsp Maine-Sweet Pepper
- 1 TBL Balsamic Vinegar

Heat oven to 375°

Wash and trim the roots of the beets. Simmer for about ½ hour; rinse under cold water. While you're rinsing, gently peel the outer skin off the beets.

Place the beets in an oven-safe dish, toss with the olive oil and Maine-Sweet Pepper. Roast for about 15 mins, stir the beets occasionally; the beets should begin to caramelize.

Sprinkle balsamic vinegar and roast for an additional 5 mins.
